## **WHY BE WELL, DO WELL?**

Amin Ahmed, educated as an engineer, was earning a multiple 6-figure income at his day job and still felt depleted. He was overweight, overworked, and overwhelmed. He knew there had to be more. He decided that he wanted to be healthy AND be wealthy at the same time. *Amin is devoted to living a life of fulfillment and helping his clients do the same.*

## **CEO OF REMARKABLE BRANDING**

Amin leads technical and marketing as co-creator of Remarkable Branding. His expertise is in digital marketing with a focus on execution of strategy in web development, interpreting analytics, and online community development. With over 20 years of experience in this field, he brings experience working with clients from around the world.

*"It doesn't have to be the same old story:*

*'When we're young we spend all our health to accumulate wealth.*

*When we're old we spend all our wealth to attempt to regain some of our health.'*

*I'm here to tell you there's a better way.*

*You can be well and do well. Let me show you how."*
